Palm Tree Teaching – for a tailor-made service

We offer a complete English language solution for you and your company.

Our service is **tailor-made** and bespoke to the **specific needs and requirements of your company**. We work closely with you, conducting a needs analysis, and devising a targeted programme to suit your corporate and linguistic needs. We take care to evaluate the success of your programme for you, as well as offering an end of course test.

Lessons can take place at your offices or on-site at our partner school at your convenience. Additionally, we provide ongoing support by working with you throughout the course to ensure we deliver to your requirements and to make sure that your corporate aims are met.

*“Thank you for increasing English language levels so much in Algeria. You have done magnificent work here”
(Algerian government schoolteacher)*

Palm Tree Teaching – for flexibility and cost-effectiveness

We work with you to ensure that your **Corporate English Language Programme** suits your needs and provides you with a fully-integrated and challenging learning programme with the right mix of learning.

You can study **face-to-face** or we can build in **linguistic study trips to the UK** for a full-immersion and cultural experience for your directors and managers.

We ensure that we find a balance between quality and the most appropriate learning mix according to your budget.
